KINDERGARTEN ROUND-UP

Kindergarten Round-Up is almost here, so mark your calendars and tell your neighbors with rising kindergarten students. New Prospect's Annual Kindergarten Round-Up will be held on **Wednesday, April 1st at 8:45 am** in the school cafeteria. All kindergarten parents and upcoming students are invited for a fun and informative morning.

Students and parents will tour the school and the kindergarten classes. The students will get an inside view of a school bus and have a snack in the cafeteria. The parents will meet with the kindergarten teachers and learn what to expect for next year. Although registration information will be provided, this will be an informative gathering only.

Please stay tuned for more information regarding registration which will take place on May 6th and May 7th.

No Parking in Fire Lanes

Some of the local jurisdictions have contacted Fulton County Schools to let them know they have become very frustrated regarding cars parked in fire lanes on our campuses. **If cars are found parked in front of a red curb or otherwise marked fire lane, they will be ticketed, towed, or both.**

Parking in designated fire lanes or in front of fire hydrants is strictly prohibited by the International Fire Code which has been adopted by all of the jurisdictions within Fulton County. Fire lanes and hydrants are considered part of the fire protection system of any building. They are designed to allow unobstructed fire apparatus access at all times to the building in the event of a fire or a medical emergency. Whenever a fire lane is blocked, the safety of that building and its occupants is in jeopardy. Fire lane curbs are marked red in order to define their limits.

The fire department has recently been out to New Prospect and ticketed several cars parked in the fire lane. When visiting our school, please park your vehicle in an appropriately designated area.
